Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 175 x 124 mm. Language: English . Brand New Book. Melchior and his intrepid band of allies, friends and family take on the World Government, the mightiest power the Earth has ever seen. He is playing a dangerous game risking his life and others, using all of his genius, cleverness and guile to buy the freedom of millions of people. Melchior uses science, faith and courage against the power of his evil enemies. Who will win this contest? This is not your typical science fiction novel. This technology has been around for some time but this concept is rarely employed by modern sci-fi, so it feels new. The compelling and likeable characters cast a spell on you that you won t likely forget. They use what God has revealed and humans have developed to create a new civilization beyond the reach of tyranny.
