His sister's best friend artist and studio owner Blythe Ventura is a world away from the shallow glam girls who've thrown themselves at him. With her creative spirit and passionate commitment, she's the ideal candidate for his Winter Wonderland project. Too bad she doesn't seem interested in being the one to win his heart. After a string of dating disasters, Blythe isn't ready to believe in a romantic relationship with Preston. Until their work giving sick children hope and joy for Christmas brings them together and reveals a very different side of the notorious millionaire playboy. All she has to do is trust in the feelings Preston is awakening and this just might be the year that they both find the happy holiday ending they've been searching for.
