Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Revised. Language: English . Brand New Book ***** Print on Demand *****. Preface: This Pocket Manual of Canon Law is a digest of the entire Code. It contains all that the average priest should know, more than our Sisterhoods need to know, and much that will interest the laity on the laws of the Church. On most subjects the points of the law are scattered through the Code. By gathering these points under their respective heads and arranging them in alphabetical order, with reference to canon, paragraph, and number in the Code, this manual aims to be a clear, intelligent counsellor in the ordinary affairs of Catholic life, and a ready index to the Code for questions that require a knowledge of the niceties of ecclesiastical law. This is a crucial book for any layman or future seminarian wanting to dive into the more deeper parts of canon law. The definitions are not overwhelming hard to understand. If one of these vigils falls on Sunday,...
