

## Management of Temporomandibular Disorders and Occlusion (Hardback)

By Jeffrey P. Okeson

Elsevier - Health Sciences Division, United States, 2012. Hardback. Condition: New. 7th Revised edition. Language: English . Brand New Book. Covering both new and proven techniques in this rapidly changing field, this book helps you provide solutions to many common occlusal and TMD problems. Clear descriptions ensure that you develop a complete understanding of both normal and dysfunctional occlusal relationships and masticatory function. With this book's conservative, cost-effective approach, you'll achieve your treatment goals while keeping the best interests of your patients in mind. Solid foundation of the anatomical, physiological, and biomechanical aspects of the masticatory system gives you the basic foundation for clinical use. Detailed how-to information on clinical examination, data gathering, and differential diagnosis for temporomandibular disorders helps you learn to correctly plan treatment. Clinical Comment boxes give you critical thinking points and instructions on how to apply these to everyday clinical practice. NEW! Robust Q-website features an image library, case studies, and NBDE-style questions. NEW! Full-color design offers more vivid clinical photos, illustrations, and information. NEW! Major revisions to Part II with specific detail to Etiology provides more up-to-date information on this critical area. NEW! Patient education sheets include the most common TMDs. NEW! Updated treatment...

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- *Otis Wisoky*

*This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*

-- *Dr. Everett Dicki DDS*
