Kylie knew from the beginning that getting romantically involved with Hunter was an extremely bad idea, and now because of the Pandora's Box she inadvertently blew wide open in order to protect him, more than Hunter may now determine the consequences she and those she loves will ultimately end up paying. This is Part Three of a Four-Part serialized story arc in the Riverford Shifters novella series. It is part of a continuing story and not meant to be read as a standalone entry. Contains strong sexual content and is intended for readers over 18.
