Createspace, United States, 2014. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Une des legendes les plus repandues en Bretagne est celle d une pretendue ville d Is, qui, a une epoque inconnue, aurait ete engloutie par la mer. On montre, a divers endroits de la cote, l emplacement de cette cite fabuleuse, et les pecheurs vous en font d etranges recits. Les jours de tempete, assurent-ils, on voit, dans le creux des vagues, le sommet des fleches de ses eglises; les jours de calme, on entend monter de l abime le son de ses cloches, modulant l hymne du jour. Il me semble souvent que j ai au fond du coeur une ville d Is qui sonne encore des cloches obstinees a convoquer aux offices sacres des fideles qui n entendent plus. Parfois je m arrete pour preter l oreille a ces tremblantes vibrations, qui me paraissent venir de profondeurs infinies, comme des voix d un autre monde. Aux approches de la vieillesse surtout, j ai pris plaisir, pendant le repos de l ete, a recueillir ces bruits lointains d une Atlantide disparue.
