[ The Elements of Drawing was written during the winter of 1856. The First Edition was published in 1857; the Second followed in the same year, with some additions and slight alterations. The Third Edition consisted of sixth thousand, 1859; seventh thousand, 1860; and eighth thousand, 1861. The work was partly reproduced in Our Sketching Club, by the Rev. R. Should the public find the book useful, and call for further editions of it, such additional notes as may be necessary will be always placed in the first Appendix,...
