I had a lesson to teach, a lesson about diversity, stereotyping, political correctness. and the college said NO we ll fire you if you teach that to your students. One of us was right here and one of us was VERY wrong. This is a short story about that struggle. It involves a Federal court, The Constitution, and some very stupid educators. We ll also discuss Critical Thinking, manipulation, race, political agendas, etc. If you haven t given all this some serious thought, it s time.
