# TRADE PERFORMANCE OF LIVESTOCK SECTOR IN INDIA

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Global trade in livestock products is expanding rapidly and significantly due to increase in consumer demands linked to growing educational and awareness of consumer, internationalisation of tastes and habits, developments in science and technology and improvements in communication and transportation. Sustained economic growth and rising incomes during the past two decades have been fuelling rapid growth in the demand for livestock products in India. Consequently, the livestock sector has emerged as one...

## Reviews

*This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.*
