If you want to know the answers to the questions above download this book today When considering saving for the future, many people look into opportunities such as Roth IRAs and mutual funds. However, few people are willing to venture into the world of trading, where investments in stocks, indices, and other securities can substantially build a savvy investor s portfolio. For those who are willing to brave the waters of loss and gain in order to accrue income, options can seem like a foreign language. Among the various myths that options trading is either fraught with pitfalls or risk free is an...
