

Armed Conflict: The Lessons of Modern Warfare: The Lessons of Modern Warfare

By Brian Steed

Presidio Press. Paperback. Book Condition: new. BRAND NEW, Armed Conflict: The Lessons of Modern Warfare: The Lessons of Modern Warfare, Brian Steed, What challenges will America face in armed conflicts of the future and how will we prepare for them? National security depends upon the ability of the military to "predict" the future nature of war. Despite the difficulty in making such predictions, one must remember: nation states and other countries will continue to use armed conflict as a means to further their aims, and these aims will, at times, run contrary to American interests. As a result, the United States will continue to be confronted with armed conflict in the days and years ahead. A military theorist and experienced armor officer, Brian Steed provides insights into the future of armed conflict by focusing on what has occurred in the past-not because the past repeats itself, but because it reveals timeless principles of warfare. Five battles, one each in Korea, Vietnam, the Falklands, the Persian Gulf, and Somalia are analyzed historically, geographically, and strategically. Steed's analysis of these engagements clearly demonstrates that the key to victory on the battlefields of the future is the small unit. In refreshing layman's prose,...
