Dog Ear Publishing, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This timely book addresses the excessive and misguided use of email and helps all of us come to a more sensible view of when, where, and why to use it. It also goes beyond email to provide a roadmap for effective workplace communication in general. You and your organization will be able to go further, faster - that is, be more productive. Dr. Mark Frohman, President of Frohman Consulting Corporation and author of The Purpose Driven Organization, Mastering Priorities, and Involving Others in Problem Solving I have key staff members chained to their desks daily clearing email and complaining that many emails are not required, or at least they did not need to be copied. I know as an organization we need to communicate more effectively. I look forward to passing this book onto my staff and watching the improvements. Terry P. Roche, President of Thomas Engineering Corporation I spent many years trying to better manage email but seemed to be losing ground on productivity. This book showed me the real solution - use email for what it's good for, but don't overuse it. It's easy and fun to read and is packed with much more information than typical self-help and business productivity books. I've become a more effective communicator, improved my work/life balance, and have helped my staff become more productive as well. Don Silvestri, V.P. of Marketing Public Relations for Open Sports Network former Director of Marketing for CBS SportsLine Email Less - Talk More is the first book to provide solutions to problems created by workplace email overuse. Instead of treating the symptoms of reduced productivity and information overload with email management techniques and email...
