Pan MacMillan, United Kingdom, 2018. Paperback. Condition: New. Main Market Ed.. Language: English . Brand New Book. The Space between the Stars by Anne Corlett is an enthralling novel of love, the choices we make, and what it means to be human. It s also a dramatic road-trip across the stars, as a woman journeys across a plague-ravaged universe to the place she once called home, and the man she once loved. How far would you travel to find your way home? Jamie Allenby wakes, alone, and realizes her fever has broken. But could everyone she knows be dead? Months earlier, Jamie had left her partner Daniel, mourning the miscarriage of their baby. She d just had to get away, so took a job on a distant planet. Then the virus hit. Jamie survived as it swept through our far-flung colonies. Now she feels desperate and isolated, until she receives a garbled message from Earth. If someone from her past is still alive - perhaps Daniel - she knows she must find a way to return. She meets others seeking Earth, and their ill-matched group will travel across space to achieve their dream. But they ll clash with survivors intent on repeating humanity s past mistakes, threatening their precious fresh start. Jamie will also get a second chance at happiness. But can she escape her troubled past, to embrace a hopeful future?.
