A rocker gets a taste of unexpected passion in the latest red-hot Rock Star Romance from the award-winning author of I Want You to Want Me. Calix Bourbon might seem like a free spirit, but that's all a front. In reality he's just trying to keep his fractured family together while working as a session musician. When Blue Fire hires him to replace their keyboardist, Calix is determined to make the most of the opportunity--but he can't help being distracted by the band's sexy personal chef. Mimi's temporary gig is great, but she has her heart set on auditioning for a televised cooking show. There's just one problem: she only has a week to acquire the skills necessary to survive the competition. Luckily, the band's new keyboard player can teach her exactly what she needs, in the kitchen and in the bedroom.
