Not illustrated. 1921 Excerpt: .Cut Track Spikes submitted herewith be substituted therefor, as the present design in the Manual does not correctly show the slope of the underside of the head of the spike to agree with the slope of the top of the rail base. The accompanying designs fit the rail base most commonly in use. The accompanying design of y Cut Track Spike is the same as hat submitted last year and as published, in Vol. 21, Bulletin 221, except the width at the toe end has been changed to yi instead of \$6, and .he curve under the head has been changed for greater strength and better contact of the jaw of a claw bar. Reports as to the practicability of this design for manufacture in automatic machines have been received from various steel companies and samples have been submitted to this Committee. Item II. Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dominic Collins**

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.
