How Contemporary Publishers Reach Out to Their Customers: Transition from B2B to B2C Marketing in the Publishing Industry

By Kim Maya Sutton

Diplomica Verlag, 2013. Taschenbuch. Book Condition: Neu. Neu Neuware; original eingeschweißt; Rechnung mit MwSt.; new item, still sealed; - This study focuses on business-to-consumer (B2C) e-marketing in the publishing industry. Random House CEO Dohle suggested a transition from B2B marketing to B2C marketing and Shatzkin, CEO of The Idea Logical Company, added this transition would be a good way to strengthen brands in publishing, and attract loyal individual consumers. Publishers are already making varying use of the internet and social media in 2011. This research first analyzes existing literature on marketing and e-marketing, particularly in the publishing industry. It then focuses on seven publishers online presences, and their interaction with individual consumers on the internet and social media, based on the author's education in computer sciences, management, and publishing. The case study research is exploratory, phenomenological, and framed within an interpretive research paradigm. The findings are recorded in a structured dissertation, with screenshots of the relevant publishers websites. The seven publishers are categorized according to Bernoff's stages in Managing Social Technology, and the research findings are linked back to literature, discussed, and best practices are identified. As there is very little literature on B2C e-marketing in the publishing...

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.
