Cahill House Publishing Company, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. What if you are not, nor have ever been, the author of your emotional outbursts and embarrassing or shameful behaviors? What if your addictions, shyness, procrastination, fears, worries, depressed moods, need to be perfect, and difficult interactions with others are not mental or psychological in nature, but part of the human condition you inherited genetically from your parents, grandparents, great grandparents, all the way back in time? And what if you could permanently remove these inherited repeating patterns that run you? And each time you removed a pattern, anything else related to those particular patterns would simultaneously and permanently be removed as well? And what if you could protect your children from going through what you, your parents and family members have adversely and painfully experienced during their lives? Well, finally you can, but in a way you have never thought about. Nobody has, until now. Imagine All Better is a revolutionary breakthrough in healing the body mind and spirit by integrating classical and quantum physics principles while tapping into an advanced intelligence of the imagination unlike any other approach in the world. It has the ability to permanently remove the harmful stress of repeating, upsetting emotions and unwanted behaviors and replace them with a sense of contentment, relief, joy and a peace of mind free of clutter. This allows you to be in the present, in the now, and see options and choices that the worrisome emotions blurred and kept you from embracing - no matter how many times nor how hard you've tried in the past to overcome them. Nearly everyone has encountered them from time to time - people who push...
