## The IVF Journal: The Solution for Managing Practitioners, Tests, Medications, Appointments, Procedures, Finances

By Stephanie Fry

Hatherleigh Press, U.S., United States, 2014. Paperback. Book Condition: New. 250 x 200 mm. Language: English . Brand New Book. The IVF (In Vitro Fertilization) Journal is your personalized guide to surviving and thriving during your In Vitro Fertilization cycle. The author, a former In Vitro Fertilization patient, guides you before, during, and after your cycle so you can stay informed, reduce stress, and have a more positive cycling experience no matter what the outcome. With calendars, charts, logs, and worksheets, The IVF Journal is designed to be customized to your specific situation, and offers tools for every stage of your journey. Whether you are just starting your first IVF cycle or have already undergone multiple cycles, each beautifully designed section has detailed instructions and helpful hints on how to navigate every aspect of cycling. The IVF Journal will help you prepare emotionally, physically, financially, and logically. In addition, it will help you track responses, results, and progress while organizing and storing all your cycle details in one place. The IVF Journal allows you to: Easily log, find, and review often changing information, such as contact details, medication information, hormone levels, testing and procedural instructions, and results Prepare for treatment and...

### Reviews

*Extremely helpful for all class of people. We have read through and that i am confident that i am going to going to read through again again down the road. Its been designed in an exceedingly basic way in fact it is simply following i finished reading this pdf in which in fact altered me, alter the way i think.*

-- Noel Stanton

*Absolutely one of the best pdf We have ever read. I really could comprehended every little thing using this written e book. I am easily could get a satisfaction of reading a written publication.*

-- Dr. Odie Hamill
