Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt: The World Of ManifestationONE truth was clear at every stage in the foregoing discussion. Every atom, every event, every soul in the universe is imbued with the immanent Presencelife is a constant sharing of divine power.Whatever be the starting-point in our interpretation of experience, whether in some truth of the reason, some cherished insight of the inner life, or a fact in the outer world, there is no stopping-place short of the conclusion that God is the immanent Reality, the sufficient Ground of all existence. We may evade the point or deviate into agnosticism, by giving undue regard to the limitations of finite consciousness.But our deepest nature is never satisfied until we attain a conception which meets the ultimate needs of thought.To be sure, we found it necessary to distinguish between a logical argument for the ultimate Ground of things, and the thought of God as the object of religious consciousness. We discarded all formal attempts to prove that God exists, and rejected the popular argument from causation.But this presented no difficulty, since we are not here so much concerned with the philosophical idea of Ground, with the idea of God as transcendent, as with the immanent relation between God and His world. The modern thought of nature and of human experience demands that relationship at every point, without regard to time or space.Yet to find God in everything, is not to conclude that one finds only God. The experiences of the inner life are the severest tests. For if we are able to maintain the reverential attitude of sonship we may enter into the divine love with all joy, yet avoid the pitfalls...
